JABRA STREET2
Jabra Universal *BLUETOOTH®* Stereo Headset
Compatible with all *BLUETOOTH®* - Enabled Phones

DATASHEET

Enjoy your tracks and calls with even more powerful sound

Define your own individual style with Jabra STREET2. This uniquely designed *Bluetooth®* headset delivers powerful sound with a compact design. It features audio enhancements such as AM3D Virtual Surround Sound and Power Bass to let you enjoy your tracks to the fullest. You don't have to compromise on comfort either, since it includes interchangeable earbuds which let you choose your best fit. Jabra STREET2's earphones also boost sound by blocking out background noise, so you can listen to music the way it was intended – smoothly and clearly. With the Multiuse™ feature, you can connect 2 *Bluetooth®* devices at the same time, so you stay hooked up easily.

Jabra STREET2 includes A2DP, letting you stream all your media directly from your phone or MP3 player, so you don't need to touch your player to control your music. Jabra STREET2 will even pause your tracks while taking calls and keep them going after you're done talking. Jabra STREET2's built-in microphone picks up your voice when you accept a call, so you don't need to pick up the phone to talk. The dog tag design lets you decide how you wear Jabra STREET2. Wear it around your neck, on your clothes or your bag – anywhere you want.

Reasons to choose the Jabra STREET2

- Virtual surround sound and power bass
- Great sound with noise-blocking ear buds
- Automatically switch between music and calls

* Phone dependent

Quick Start Guide

Pairing the Jabra STREET2 to a *Bluetooth*® mobile phone

Before you use your Jabra STREET2, you need to pair it with your mobile phone.

1. Your headset will automatically go into pairing mode when you turn it on the first time.
2. Set your *Bluetooth*® phone to 'discover' the Jabra STREET2. Fol low your phone's user manual for Bluetooth connection.
3. Your phone will find the Jabra STREET2.
4. Your phone will then ask if you want to pair with it. Accept by pressing 'Yes' or 'OK' on the phone and confirm with the passkey/PIN = 0000 (4 zeros). Your phone will confirm when pairing is complete.

In case of unsuccessful pairing, repeat steps 1 to 3.

Manual pairing

You can manually put your Jabra STREET2 into pairing mode, if you want to pair with a second phone or *Bluetooth*® device:

- Make sure the STREET2 is turned off.
- Press and hold the answer / end button for approx. 5 sec. until the whole keypad turns solid Blue.
- Set your *Bluetooth*® phone to discover your headset as de scribed above.
